

# Join Andover's Climate Day of Action 2021

Friday June 25, 2021

**The people of Andover are set to join forces this summer for a climate day of action!**

Launched by **Andover Vision**, the day will see schools, businesses, community groups and everyone in between play their part by pledging an activity or action that will help tackle our changing climate.

**Could you cut your carbon and help the town take action on climate change?**

It doesn't matter if you're part of a group or just working from home, everyone can participate and find a way to reduce their emissions and make more sustainable choices.

**Whatever your idea, you can share your activity online on June 25 and join others in helping to create a greener town!**

For more information call **01264 368133** or email **andovervision@testvalley.gov.uk**

**Take Action On Friday June 25**

## Need Some Inspiration?

- Visit [andovervision.org.uk](http://andovervision.org.uk) to get inspired and see what you could get up to!
- Take part on social media using the hashtag **#andoverclimateaction** and send in photos and videos of what you're up to!
- Make sure to keep an eye on the Andover Vision website and Facebook page to find out more about the activities on the day itself
