

For parents/Carers

RCS are offering a free Childcare course to help you to better understand your child.

Supporting you to find new ways of communicating with your child, discuss different ways of dealing with challenging behaviour and have a chance to meet other parents in the same situation

The course will cover:

- Creating a safe environment
- Improving communication
- Encouraging children to eat healthily
- Strategies for promoting positive behaviour
- Assess your own skills , looking at transferring skills for a career in childcare
